

RE: SIKA SUPPLY UPDATE

March 5, 2026

Dear Valued Customer:

We will be issuing a price increase as outlined below. The price increase will take effect as of March 9, 2026. All existing open quotations dated prior to December 31, 2025 shall no longer be immediately accepted and be subject to a complete review.

The noted price increases shall apply to all new quotations, account contracts, and price lists. We shall reserve the right to invoke additional price increases to address uncertainties outside of our direct control as the year progresses.

Description	Price Increase
Transportation – Fabricated products	Project-specific pricing outlined in each quotation. Fabricated Package price list to be issued on or near March 31, 2026.
Transportation – All Products	2.5% to 12%

Updated price books will reflect specific price increases by product type. We appreciate your business, and our sales professionals will work with you on project-specific pricing during the transition period.

Sincerely,

Gary Moore, P.E.
